LADIES' NEWS

Many thanks to the outgoing Board members for their dedication this past year. It is with honor and a bit of trepidation that I take over the helm of the AG&CC Ladies group. I will do my best with the help from the Board and all of you to make this a fun and exciting year for all the women of the Club.

There will be a planning meeting on Tuesday, January 15th at 9:00 a.m. ALL ladies of AG&CC are cordially invited to attend. We need your input to make this fun for everyone.

LADIES' NEWS

February 2002

The new Board met on January 8 to formulate the Ladies group activities for the coming year. The planning meeting went well, with suggestions and ideas from the membership.

I am extremely pleased to (#19195) announce three additions to the Board. Jan Ruecker will represent the bridge contingent, so please make any suggestions you might have so that we can be a more homogeneous group.

Sue Corkill and Sara Hauke graciously accepted the chairmanship of the Social Committee. They have some great ideas but we need input from all the Ladies of the Club. We are looking forward to a fun 2002.

Molly Edison

The Golf Committee is now busy working on the 2002 roster, which will include all women who have paid their dues, the year's golfing activities, and the By-laws. Be sure that we have your correct address and telephone number. If you are new to the women's group, let the office know that you wish to be included in the roster. If changing from a 9 to 18 hole player, please inform the office or Alice Whalen.

As you go on vacation this winter, be sure to post your scores (they go under guest scoring) or save your cards and post when you return. Posting begins March 2nd.

We are looking forward to the upcoming golf season, so get ready for a good year.

COME OUT & PLAY PITCH

Friday, March 8th

A game that is similar to pinochle, Pitch is also called All-Fours or High-Low-Jack. There are few rules and learning is easy. Competition is between teams consisting of two players.

The cost is \$5.00 per team. Cash awards are paid to the highest scoring team.

Dinner follows competition. Call 861-2211 or 738-8358 for your reservation.

Try pitch, you'll like it!

of Women's Golf season and weekly competition begins. Last month I told you that we would begin posting scores on March 2nd. However, after speaking with the OGA last week they informed me that I was mistaken. Posting begins on March 15th. Hopefully by then our computers will be configured with the names of our new members and those of you who are moving from 18 to 9 holes or 9 to 18. Remember, you may use Winter Rules until otherwise posted.

As you may know, our course has been newly rated and your handicap may change a little for the first few weeks this spring, so be sure to check before you play.

Our new roster and schedule of events should be available on April 2nd. and you will see that we are going to try some new competitions this year. Your golf chairman thought we would all enjoy trying something different and she will explain some of them to you at our opening breakfast. I think you will all have fun doing something new. We are looking forward to seeing you all teed up and ready to play golf.

April 2002

LADIES' NEWS

Spring is about to be sprung, the snow birds will be returning and we have a very exciting event coming up. Save Friday, April 26th. We will have a luncheon presentation with Kathy Bowser, master gardener. She will speak about new and old gardening ideas, answer any questions and then have a hands-on demonstration of pot gardens. So get your garden gloves out, make reservations and join us for a really fun time for all. Gentlemen will be encouraged to attend as well. Watch for our next exciting event in May.

Molly Edison

Dust off those clubs and get ready for a fun day of golf. You won't want to miss our first golf event of the season - Opening Day on April 2nd. We will have a 9-hole scramble after a delicious breakfast prepared by our excellent kitchen staff. There will be a blind draw for foursomes after you sign in at 8:00 - 8:30 with a mini-shotgun about 9:30.

There are a number of Do's and Don'ts in the Rules of Golf that all of us should know, as they make good sense. For the next couple of months I thought it might be fun to list some of them for you to consider:

DO: Put an identification mark on your ball.

DO: Keep an extra ball with a different number in case you need a provisional ball.

DO: Mark your scorecard after every hole is completed, but not on the green just played.

DO: Announce and hit a provisional ball if there is a chance your ball may be lost or O.B.

DO: Check carefully your relief options before picking up a ball in play.

DO: Know the definition of Casual Water and Ground Under Repair. Relief you may be entitled to could save you strokes.

DO: Repair spike and ball marks on greens. (your own and others).

DO: As soon as possible, enter your score adjusted for Equitable Stroke Control.

Next month the Don'ts will be coming. In the meantime, have a great month of golf. See you at the Breakfast!

LADIES' NEWS

The golf god was good to the ladies on opening day. We had a great turn out and everyone was eager to get out on the course. The nine hole scramble format was fun and a good start for our year. The winners were a tie: the team of Gwynn Bakkensen, Ann Mangold, Nancy Thorsness, Kati Tuominen and the team of Joyce Benson, Sue Corkill, Esty Knutsen and Molly Edison.

Those golfers who have changed their status from 9 to 18 or from 18 to 9 holes please check you local club number, as they have changed. Old numbers will not be recognized by the computer. The sheets are up for the Spring Best Ball, May 7th & 14th. Please everyone, sign up with your partner. It is FUN! Keep your USGA rule book handy - it will answer many questions on the rules of golf.

The winner of the Thursday Bridge group, Ann Morden, won dinner for two. Congratulations!

The Art Show and Master Gardener events were well attended. Thank you, Trails End Art Center and Kathy Bowser.

Coming attractions will be Ridge-runners May 16th, 23rd & 30th and Pitch on the 24th. These events are fun, so grab a partner and join us.
